

Intellectual Property Agreement

This Agreement, effective the 13th day of February 2013, is entered into by and between the UDS (hereinafter "client") and the students of the CMPUT 401 team (hereinafter "the development team"), in order to establish terms and conditions concerning the completion of the Mapping application (hereinafter "The Application") which is limited to the application domain of **application-domain** (hereinafter "the domain of use for the application")

It is agreed by the client and the development team that all domain specific knowledge and compiled research is the intellectual property of the client, regarded as a copyrighted collection. The framework and code base created by the development team is their own intellectual property, and may only be used for the purposes outlined in the documentation of the application, which has been provided to the client. The development team agrees not to use their framework for, or take part in the development of, anything that falls within the domain of use for the application, for a period of 6 (six) months after the signing of this agreement.
